THE HIGHLAND COUNCIL COMHAIRLE NA GAIDHEALTACHD

Mrs Claire McGonigal, Headteacher

24 November 2020

Dear Parent/Guardian,

Performance Ski Training (Tuesday PM)

The school is delighted to offer the opportunity for competent skiers/snowboarders to further develop their skill set through performance training in partnership with Cairngorm Ski Club and Wilderness Scotland. Competent skiers/boarders can use all uplift and ski/board all terrain on Cairngorm Mountain.

The training will start on 19 January 2021 and take place over 5 or 9 weeks with the final meet being a competitive race day against pupils from Kingussie High School. Pupils will be transported from Grantown Grammar School to the training venue on a Tuesday lunchtime and will spend the afternoon being coached by qualified instructors. They will return for the school transport at 1600.

The intention is for all training to take place on Cairngorm Mountain however, this is weather dependent and training could take place indoors or on the dry ski slope as well. The transport and coaching are being heavily subsidised in this partnership project with the 5 week session costing £75 and 9 week course £135 (£15 per session which includes transport, ski pass, hire of equipment (if required) and coaching).

Numbers are limited so if you would like your child to be considered for this opportunity please complete the tear off slip below and return to Mr Wilson before Friday 4th December. Once numbers have been confirmed and places allocated, payment will be made in full prior to the start date.

Yours faithfully
